Proper Citation: UH Manoa RCMI Biostatistics and Data Management Facility (RRID:SCR_010107)

Description: The Biostatistics and Data Management Facility (BDMF) was established with a primary mission to provide a range of customized statistical and database management services for RCMI researchers. Realizing a need for a consolidated and integrated statistical resources for biomedical researchers and clinicians at the John A. Burns School of Medicine, the BDMF has rapidly extended services to other programs and groups, including the Asia-Pacific Institute of Tropical Medicine and Infectious Diseases (APITMID), Pacific Biosciences Research Center (PBRC), Excellence in Partnerships for Community Outreach, Research on Health Disparities, and Training (EXPORT), Specialized Neuroscience Research Program (SNRP-I/II), Center of Biomedical Research Excellence (COBRE), Centers of Clinical Research Excellence (CCRE), Clinical Research Education and Career Development (CRECD), RCMI clinical Research Infrastructure Initiative (RCRII), and IDeA Networks of Biomedical Research Excellence (INBRE). The overall mission of the BDMF is to provide quantitative resources essential for investigators to conduct methodologically rigorous medical research in a timely, cost-effective manner.
