National Heart Lung and Blood Institute Office of the Director (RRID:SCR_011414)

Resource Information

URL: <http://www.nhlbi.nih.gov/about/od/index.htm>

Proper Citation: National Heart Lung and Blood Institute Office of the Director (RRID:SCR_011414)

Description: Provides overall planning, direction, coordination, and evaluation of the Institute's programs, and coordinates all related Federal health programs. The OD collects, develops, and disseminates information on the diseases of the heart, lung, and blood, on sleep disorders, and on transfusion medicine, with an emphasis disease prevention; and conducts and fosters educational programs for scientists and clinicians. It provides leadership in the transfer and assessment of information for the scientific community and the lay public, and establishes internal Institute policy for program and administrative operations, maintaining surveillance over their implementation.
