**Proper Citation:** Northeastern University, Bouve College of Health Sciences (RRID:SCR\_011467)

**Description:** College of Health Sciences offering six majors in three schools - health professions, nursing, and pharmacy, with an interdisciplinary emphasis that reflects today's team approach to health care. The mission of the Bouve College of Health Sciences is to be a center of excellence in health professional education, research, and service. The structure of the college fosters cross-disciplinary interaction among faculty and students, encourages innovation in the education of both entry level and advanced practice health professionals, and recognizes the autonomy of each profession. The College strives to educate individuals to develop skills to be effective health care providers and to instill in our graduates a commitment to life-long learning. The College builds partnerships with health care delivery systems and the community in order to assure that Bouve students and faculty have access to practice sites that prepare our graduates to meet the health care needs of our urban neighbors and society, provides access to health professional education for a diverse student body and strives to have a faculty that reflects varied backgrounds and a worldwide perspective, and is committed to the generation and advancement of knowledge to improve the health and health care services of individuals and communities through basic and applied research.
