Proper Citation: TNO (RRID:SCR_011579)

Description: An independent, non-profit statutory research organization that is a knowledge organization for companies, government bodies and public organizations focusing on applied science. Their expertise and research make an important contribution to the competitiveness of companies and organizations, to the economy and to the quality of society as a whole. The organization also conducts contract research, offers specialist consulting services, and grants licences for patents and specialist software. TNO tests and certifies products and services, and issues an independent evaluation of quality. Moreover, TNO sets up new companies to market innovations. (Adapted from Wikipedia)
