University of Minnesota Genomics Center Core Facility

RRID:SCR_012413

Type: Tool

Proper Citation

University of Minnesota Genomics Center Core Facility (RRID:SCR_012413)

Resource Information

URL: <https://genomics.umn.edu/>

Proper Citation: University of Minnesota Genomics Center Core Facility (RRID:SCR_012413)

Description: Provides genomic technologies and services to researchers and clinicians. Services include Next Generation Sequencing, Epigenomics, SARS-CoV-2 services, GBS, Third Generation Sequencing, NGS Library Creation, Sanger Sequencing, DNA and RNA Extraction, Gene Expression.

Abbreviations: UMGC

Synonyms: University of Minnesota Genomics Center, U of M Genomics Center, University of Minnesota Biomedical Genomics Center

Resource Type: core facility, service resource, access service resource

Keywords: genomic technologies, Next Generation Sequencing, Epigenomics, SARS-CoV-2 services, GBS, Third Generation Sequencing, NGS Library Creation, Sanger Sequencing, DNA and RNA Extraction, Gene Expression

Availability: Open

Resource Name: University of Minnesota Genomics Center Core Facility

Resource ID: SCR_012413

Alternate IDs: SciEx_13150

Old URLs: <http://www.scienceexchange.com/facilities/biomedical-genomics-center>

Record Creation Time: 20220129T080310+0000

Ratings and Alerts

No rating or validation information has been found for University of Minnesota Genomics Center Core Facility.

No alerts have been found for University of Minnesota Genomics Center Core Facility.
