Proper Citation: University of Nebraska Medical Center - Tissue Sciences Core Facility
(RRID:SCR_012465)

Description: Core provides histology, immunohistochemistry, imaging, and pathology support services for animal and human tissue research. Offers standardized and specialized services including tissue processing, embedding, sectioning, paraffin and frozen staining, multiplex immunohistochemistry/immunofluorescence, digital slide scanning, tissue microarray construction, and technical support for client-use instrumentation. Supports investigators through expert technical guidance, pathology consultation, and training on specialized histology procedures and equipment.

Abbreviations: UNMC TSF

Synonyms: UNMC Tissue Sciences Facility (TSF), UNMC Tissue Sciences Facility, University of Nebraska Medical Center Tissue Sciences Facility, UNMC Tissue Sciences Core Facility

Resource Type: access service resource, core facility, service resource

Availability: Open

Resource Name: University of Nebraska Medical Center - Tissue Sciences Core Facility

Resource ID: SCR_012465

Alternate IDs: ABRF_4060

Alternate URLs: https://coremarketplace.org/RRID:SCR_012465/?citation=1
