Proper Citation: Bio Basic Inc (RRID:SCR_012675)

Description: Bio Basic Inc. is a privately owned dynamic biotechnology company. The company was founded in 1990 in Toronto, Canada. From 1990 to 1995, Bio Basic Inc.'s primary focus has been in the field of biochemicals. Starting in 1995, Bio Basic Inc. has begun manufacturing various Life Science Products. Throughout the past years, the company has developed rapidly and served as a one-stop-shop to our customers in the life sciences field. To date, Bio Basic Inc. has approximately 600 employees, seven laboratories, three factory buildings, 40 international distributors and over 10,000 customers worldwide. Bio Basic Inc. is committed to innovation and excellence. In an effort to achieve this, Bio Basic Inc. has continuously directed efforts in R & D and improving the quality of our products. Bio Basic Inc. is proud to offer a breath of products and services to customers worldwide. Several of our product lines such as, Molecular Biology Kits, Biochemicals, Synthetic Genes and Synthetic Oligos have already shown dominant market presence and have been widely recognized by customers worldwide.

Abbreviations: BBI

Synonyms: Bio Basic, Bio Basic Inc., Bio Basic Canada Inc., Bio Basic Canada Inc, Bio Basic Canada

Resource Type: commercial organization, core facility, service resource, access service resource

Resource Name: Bio Basic Inc

Resource ID: SCR_012675

Alternate IDs: SciEx_8824

Record Creation Time: 20220129T080311+0000

Ratings and Alerts

No rating or validation information has been found for Bio Basic Inc.

No alerts have been found for Bio Basic Inc.
