GABI-KAT

RRID:SCR_012751
Type: Tool

Proper Citation

GABI-KAT (RRID:SCR_012751)

Resource Information

URL: http://www.GABI-Kat.de

Proper Citation: GABI-KAT (RRID:SCR_012751)

Description: GABI-Kat is a database of flanking sequence tags (FSTs) from T-DNA mutagenised A. thaliana plants. Over time, an increasing number of lines will become available from NASC. The "show sequence" page of SimpleSearch will display if a GABI-Kat line for a given FST has already been donated to NASC. Lines that have so far not been regrown and confirmed are only available from GABI-Kat directly. We have used four vectors: pAC106 (GenBank:AJ537513), pAC161 (GenBank:AJ537514), pGABI1 (GenBank:AY529716) and pADIS1 (GenBank:AY529717). Sequence and overview map data of all vectors are available from the download page. Features of interest which are not included in the map should be deduced from the sequence. For a specified line, the vector is displayed in the "Show Sequence" page of SimpleSearch.

Synonyms: GABI-KAT

Resource Type: data or information resource, database

Keywords: a. thaliana, a. thaliana genome, mutagen, plant genome, FASEB list

Resource Name: GABI-KAT

Resource ID: SCR_012751

Alternate IDs: nif-0000-02865

Record Creation Time: 20220129T080312+0000

Record Last Update: 20260801T191028+0000

Ratings and Alerts

No rating or validation information has been found for GABI-KAT.

No alerts have been found for GABI-KAT.
