PLINK/SEQ

RRID:SCR_013193

Type: Tool

Proper Citation

PLINK/SEQ (RRID:SCR_013193)

Resource Information

URL: <https://atgu.mgh.harvard.edu/plinkseq/>

Proper Citation: PLINK/SEQ (RRID:SCR_013193)

Description: An open-source C/C++ library for working with human genetic variation data. The specific focus is to provide a platform for analytic tool development for variation data from large-scale resequencing projects, particularly whole-exome and whole-genome studies. However, the library could in principle be applied to other types of genetic studies, including whole-genome association studies of common SNPs. (entry from Genetic Analysis Software)

Resource Type: software application, software library, software toolkit, software resource

Keywords: gene, genetic, genomic, c/c++, r, macos, linux, bio.tools

Availability: Open unspecified license

Resource Name: PLINK/SEQ

Resource ID: SCR_013193

Alternate IDs: nlx_154213, biotools:plink-seq

Alternate URLs: <https://bio.tools/plink-seq>

Record Creation Time: 20220129T080314+0000

Record Last Update: 20260803T040613+0000

Ratings and Alerts

No rating or validation information has been found for PLINK/SEQ.

No alerts have been found for PLINK/SEQ.
