Clocklab

RRID:SCR_014309

Type: Tool

Proper Citation

Clocklab (RRID:SCR_014309)

Resource Information

URL: <http://actimetrics.com/products/clocklab/>

Proper Citation: Clocklab (RRID:SCR_014309)

Description: Point and click program used to quickly analyse circadian activity data using algorithms and embedded controls to make every graph interactive and useful for data analysis. The analysis program has been used for a variety of species including mice, hamsters, rats, sheep, Drosophila, and humans. This program has three separate applications: one for data collection, one for analysis, and a chamber control program.

Resource Type: data acquisition software, software application, standalone software, data processing software, data analysis software, software resource

Keywords: circadian activity data, interactive, data analysis software, data acquisition software, standalone software

Availability: Pay for product, Users can order different components of ClockLab separately

Resource Name: Clocklab

Resource ID: SCR_014309

Record Creation Time: 20220129T080320+0000

Record Last Update: 20260804T043540+0000

Ratings and Alerts

No rating or validation information has been found for Clocklab.

No alerts have been found for Clocklab.

Data and Source Information

Usage and Citation Metrics

We found 546 mentions in open access literature.

Listed below are recent publications. The full list is available at [ASWG](#) .

Liao M, et al. (2025) The P-loop NTPase RUVBL2 is a conserved clock component across eukaryotes. *Nature*, 642(8066), 165.

Korkmaz H, et al. (2025) Loss of Bmal1 impairs the glutamatergic light input to the SCN in mice. *Frontiers in cellular neuroscience*, 19, 1538985.

Brenna A, et al. (2025) Cyclin-dependent kinase 5 (Cdk5) activity is modulated by light and gates rapid phase shifts of the circadian clock. *eLife*, 13.

Ismaeel A, et al. (2025) microRNA-1 regulates metabolic flexibility by programming adult skeletal muscle pyruvate metabolism. *Molecular metabolism*, 98, 102182.

Bafna A, et al. (2025) Zinc finger homeobox-3 (ZFHX3) orchestrates genome-wide daily gene expression in the suprachiasmatic nucleus. *eLife*, 14.

Scholz-Carlson E, et al. (2025) Synaptic Targets of Circadian Clock Neurons Influence Core Clock Parameters. *bioRxiv : the preprint server for biology*.

Halloy NR, et al. (2025) Circadian timing and entrainment properties of the SCN pacemaker in the PS19 mouse model of tau pathology. *bioRxiv : the preprint server for biology*.

Goto M, et al. (2025) Circadian sleep-wake rhythm reversal in mice implanted with stomach cancer cell lines. *The journal of physiological sciences : JPS*, 75(1), 100007.
