Proper Citation: Free Pascal Compiler (RRID:SCR_014360)

Description: Free Pascal is a 32, 64 and 16 bit professional Object Pascal compiler targeting multiple processor architectures and operating systems. Documentation, including guides and manuals, are available on the website.

Abbreviations: FPC, FPK

Resource Type: software development environment, software resource, software development tool, software application

Keywords: software development environment, software development tool, compiler, pascal, object pascal

Availability: Free for download as source code, Pre-compiled for multiple platforms

Resource Name: Free Pascal Compiler

Resource ID: SCR_014360

License: Free Pascal License (GPL with linking exceptions)

Record Creation Time: 20220129T080320+0000

Record Last Update: 20260804T043541+0000
