George M. O'Brien Kidney Research Core Center - UT Southwestern Medical Center Clinical and Translational Core

RRID:SCR_015295

Type: Tool

Proper Citation

George M. O'Brien Kidney Research Core Center - UT Southwestern Medical Center
Clinical and Translational Core (RRID:SCR_015295)

Resource Information

URL: <http://www.utsouthwestern.edu/research/core-facilities/obrien-kidney/core-services/clinical-translational-core.html>

Proper Citation: George M. O'Brien Kidney Research Core Center - UT Southwestern Medical Center Clinical and Translational Core (RRID:SCR_015295)

Description: Core whose aim is to translate basic science research into effective diagnostic and therapeutic strategies that will improve the lives of patients by interrupting the pathogenesis of chronic kidney disease and its attendant high risk of cardiovascular disability and death. It combines comprehensive human genetics with phenotyping of subjects.

Resource Type: resource, service resource, access service resource, core facility

Keywords: clinical, translational research, kidney disease, cardiovascular disease

Related Condition: kidney disease

Funding: NIDDK P30DK079328

Availability: Available to the research community, Fee for service

Resource Name: George M. O'Brien Kidney Research Core Center - UT Southwestern Medical Center Clinical and Translational Core

Resource ID: SCR_015295

Record Creation Time: 20220129T080325+0000

Record Last Update: 20260804T043552+0000
