Gwyddion

RRID:SCR_015583

Type: Tool

Proper Citation

Gwyddion (RRID:SCR_015583)

Resource Information

URL: <http://gwyddion.net/>

Proper Citation: Gwyddion (RRID:SCR_015583)

Description: Modular program for SPM (scanning probe microscopy) data visualization and analysis. Primarily it is intended for the analysis of height fields obtained by scanning probe microscopy techniques (AFM, MFM, STM, SNOM/NSOM) and it supports a lot of SPM data formats. However, it can be used for general height field and (greyscale) image processing, for instance for the analysis of profilometry data or thickness maps from imaging spectrophotometry.

Resource Type: data analysis software, software resource, data processing software, software application

Defining Citation: [DOI:10.2478/s11534-011-0096-2](https://doi.org/10.2478/s11534-011-0096-2)

Keywords: spm data analysis, spm data visualization, height field analysis

Funding: Czech Metrology Institute Department of Nanometrology

Availability: Open source

Resource Name: Gwyddion

Resource ID: SCR_015583

Alternate IDs: OMICS_07548

Alternate URLs: <https://sources.debian.org/src/gwyddion/>

License: GNU General Public License

Record Creation Time: 20220129T080326+0000

Record Last Update: 20260803T040712+0000

Ratings and Alerts

No rating or validation information has been found for Gwyddion.

No alerts have been found for Gwyddion.
