LungMap

RRID:SCR_016347

Type: Tool

Proper Citation

LungMap (RRID:SCR_016347)

Resource Information

URL: <https://www.lungmap.net/>

Proper Citation: LungMap (RRID:SCR_016347)

Description: Portal for lung histochemistry data. For structural and molecular data regarding normal perinatal and postnatal lung development in the mouse and human. For public sharing of data sets, establishing a repository of young human lung tissues obtained through organ donor organizations, and developing a comprehensive lung ontology .Contains lung images and transcriptomic, proteomic, and lipidomic human and mouse data and provides scientific information to stimulate interest in research careers. Used to serve as a research resource and public education tool.

Abbreviations: LungMAP

Synonyms: The Molecular Atlas of Lung Development Program

Resource Type: data or information resource, data repository, portal, service resource, storage service resource

Defining Citation: [PMID:28798251](#)

Keywords: lung, data, histochemistry, structural, molecular, normal, perinatal, postnatal, development, mouse, human, repository, images, transcriptomic, proteomic, lipidomic

Funding: the National Heart ;
Lung ;
and Blood Institute of the National Institutes of Health U01HL122638

Availability: Free, Freely available

Resource Name: LungMap

Resource ID: SCR_016347

Record Creation Time: 20220129T080330+0000

Record Last Update: 20260803T040718+0000

Ratings and Alerts

No rating or validation information has been found for LungMap.

No alerts have been found for LungMap.

Data and Source Information
