Flye

RRID:SCR_017016

Type: Tool

Proper Citation

Flye (RRID:SCR_017016)

Resource Information

URL: <https://github.com/fenderglass/Flye>

Proper Citation: Flye (RRID:SCR_017016)

Description: Software package as de novo assembler for single molecule sequencing reads. Used for assembling long, error prone reads such as those produced by PacBio and Oxford Nanopore Technologies, for fast and accurate genome reconstructions. Available for Linux and MacOS platforms.

Resource Type: software toolkit, data analysis software, software application, software resource, sequence analysis software, data processing software

Defining Citation: [PMID:27956617](#)

Keywords: assembler, single, molecule, sequencing, long, error, read, fast, accurate, genome, reconstruction, nucleotide, quality, data, bio.tools

Availability: Free, Available for download, Freely available

Resource Name: Flye

Resource ID: SCR_017016

Alternate IDs: biotools:Flye

Alternate URLs: <https://bio.tools/Flye>, <https://sources.debian.org/src/flye/>

License: BSD 3-Clause "New" or "Revised" License

Record Creation Time: 20220129T080333+0000

Record Last Update: 20260801T190549+0000

Ratings and Alerts

No rating or validation information has been found for Flye.

No alerts have been found for Flye.
