Computational Suite for Bioinformaticians and Biologists

RRID:SCR_017234

Type: Tool

Proper Citation

Computational Suite for Bioinformaticians and Biologists (RRID:SCR_017234)

Resource Information

URL: <https://github.com/csbbcompbio/CSBB-v3.0>

Proper Citation: Computational Suite for Bioinformaticians and Biologists (RRID:SCR_017234)

Description: Software package for analysis of sequencing data. Command line based bioinformatics suite to analyze biological data acquired through biological experiments.

Abbreviations: CSBB

Synonyms: CSBB-v3.0, CSBB-v1.0, CSBB-v2.0, Computational Suite for Bioinformaticians and Biologists

Resource Type: data processing software, software application, software resource, data analysis software

Keywords: analysis, sequencing, data, command, line, expression, normalization, convert

Availability: Free, Available for download, Freely available

Resource Name: Computational Suite for Bioinformaticians and Biologists

Resource ID: SCR_017234

Alternate IDs: OMICS_17554

Alternate URLs: <https://github.com/csbbcompbio>

License: GNU GPL v3

Record Creation Time: 20220129T080334+0000

Record Last Update: 20260805T044409+0000

Ratings and Alerts

No rating or validation information has been found for Computational Suite for Bioinformaticians and Biologists.

No alerts have been found for Computational Suite for Bioinformaticians and Biologists.

Data and Source Information
