Florida State University Chemistry and Biochemistry Nuclear Magnetic Resonance Core Facility

RRID:SCR_017380

Type: Tool

Proper Citation

Florida State University Chemistry and Biochemistry Nuclear Magnetic Resonance Core Facility (RRID:SCR_017380)

Resource Information

URL: <https://www.chem.fsu.edu/research/research-facilities/nmrlab/>

Proper Citation: Florida State University Chemistry and Biochemistry Nuclear Magnetic Resonance Core Facility (RRID:SCR_017380)

Description: Facility provides NMR spectroscopy services for FSU campus. Has spectrometers to perform experiments ranging from protein structure determination to solid state characterization of inter-metallic species and nearly all experiments in between.

Abbreviations: FSU-NMR

Synonyms: Florida State University Chemistry and Biochemistry NMR Laboratory

Resource Type: core facility, access service resource, service resource

Keywords: Laboratory, Florida State University, Chemistry, Biochemistry, NMR, Nuclear Magnetic Resonance, Spectroscopy, Spectrometer, Spectrometry,

Availability: Restricted

Resource Name: Florida State University Chemistry and Biochemistry Nuclear Magnetic Resonance Core Facility

Resource ID: SCR_017380

Alternate IDs: ABRF_4078

Alternate URLs: https://coremarketplace.org/RRID:SCR_017380/?citation=1

Old URLs: https://www.chem.fsu.edu/facilities.php?facility_id=15&info=details

Record Creation Time: 20220129T080335+0000

Record Last Update: 20260808T190642+0000

Ratings and Alerts

No rating or validation information has been found for Florida State University Chemistry and Biochemistry Nuclear Magnetic Resonance Core Facility.

No alerts have been found for Florida State University Chemistry and Biochemistry Nuclear Magnetic Resonance Core Facility.
