RepeatFiller

RRID:SCR_017414

Type: Tool

Proper Citation

RepeatFiller (RRID:SCR_017414)

Resource Information

URL: <https://github.com/hillerlab/GenomeAlignmentTools>

Proper Citation: RepeatFiller (RRID:SCR_017414)

Description: Software tool to incorporate newly detected repeat overlapping alignments into pairwise alignment chains. It only aligns local genomic regions that are bounded by colinear aligning blocks, as provided in chains, which makes it feasible to consider all seeds including those that overlap repetitive regions. Used to improve genome alignments by incorporating previously undetected local alignments between repetitive sequences.

Resource Type: software resource, data processing software, alignment software, software application, image analysis software

Defining Citation: [DOI:10.1101/696922](https://doi.org/10.1101/696922)

Keywords: Repeat, overlapping, alignment, pairwise, chain, local, genomic, region, colinear, block, sequence, undetected, bio.tools

Availability: Free, Freely available

Resource Name: RepeatFiller

Resource ID: SCR_017414

Alternate IDs: biotools:RepeatFiller, BioTools:RepeatFiller

Alternate URLs: <https://bio.tools/RepeatFiller>, <https://bio.tools/RepeatFiller>, <https://bio.tools/RepeatFiller>

Record Creation Time: 20220129T080335+0000

Record Last Update: 20260803T040732+0000

Ratings and Alerts

No rating or validation information has been found for RepeatFiller.

No alerts have been found for RepeatFiller.
