Proper Citation: Kansas University Medical Center Hoglund Brain Imaging Center Core Facility (RRID:SCR_017920)

Description: Core provides imaging capabilities, including magnetic resonance imaging, magnetoencephalography, electroencephalography, magnetocardiography, and ultrasound, expertise in cognitive neuroscience, neurobiology, biomedical physics, and computing, together with support team of technologists, nurses, research associates, and research assistants. Through strong collaborations, these individuals assist with study design, collection of data, analysis, and interpretation of results. HBIC supports investigators with new technique development, feasibility studies, pilot funding, preparing grant applications and manuscripts, and compliance. Carries out investigator-initiated research and research/clinical trials sponsored by public and private agencies. Offers education and training.

Abbreviations: HBIC

Synonyms: Hoglund Brain Imaging Center

Resource Type: core facility, service resource, access service resource

Keywords: Imaging, magnetic, resonance, magnetoencephalography, electroencephalography, magnetocardiography, ultrasound, cognitive, neuroscience, neurobiology, biomedical, physics, computing, data, collection, analysis, training, service, core, ABRF

Availability: Open

Resource Name: Kansas University Medical Center Hoglund Brain Imaging Center Core Facility

Resource ID: SCR_017920

Alternate IDs: ABRF_807

Record Creation Time: 20220129T080337+0000

Record Last Update: 20260801T191242+0000

Ratings and Alerts

No rating or validation information has been found for Kansas University Medical Center Hoglund Brain Imaging Center Core Facility.

No alerts have been found for Kansas University Medical Center Hoglund Brain Imaging Center Core Facility.
