Proper Citation: Roary (RRID:SCR_018172)

Description: Software tool for rapid large scale prokaryote pan genome analysis. Builds large scale pan genomes, identifying core and accessory genes. Makes construction of pan genome of thousands of prokaryote samples on standard desktop without compromising on accuracy of results. Not intended for meta genomics or for comparing extremely diverse sets of genomes.

Resource Type: software resource, data processing software, sequence analysis software, software application, data analysis software

Defining Citation: [PMID:26198102](#)

Keywords: Genome analysis, prokaryote pan genome, pan genome, gene identification, analysis, bio.tools

Funding: Wellcome Trust

Availability: Free, Available for download, Freely available

Resource Name: Roary

Resource ID: SCR_018172

Alternate IDs: OMICS_09491, biotools:roary
