NetMHCpan Server

RRID:SCR_018182

Type: Tool

Proper Citation

NetMHCpan Server (RRID:SCR_018182)

Resource Information

URL: <http://www.cbs.dtu.dk/services/NetMHCpan/>

Proper Citation: NetMHCpan Server (RRID:SCR_018182)

Description: Web server for quantitative prediction of peptide binding to any MHC molecule of known sequence using artificial neural networks. Characterizes binding specificity of given major histocompatibility complex molecule and predicts peptide length profile and peptide binding affinity. NetMHCpan 3.0 is improved prediction of binding to MHC class I molecules integrating information from multiple receptor and peptide length data sets. NetMHCpan 4.0 is trained on naturally eluted ligands and on peptide binding affinity data. NetMHCpan-4.1 server predicts binding of peptides to any MHC molecule of known sequence using artificial neural networks (ANNs).

Synonyms: NetMHCpan 1.0, NetMHCpan 3.0, NetMHCpan 2.0, NetMHCpan 4.1, NetMHCpan 4.0, NetMHCpan

Resource Type: data access protocol, software resource, web service

Defining Citation: [PMID:19002680](#), [PMID:28978689](#)

Keywords: Quantitative prediction, peptide binding, MHC molecule, artificial neural network, Major Histocompatibility Complex, peptide length, peptide binding affinity, data, bio.tools

Funding: Agencia Nacional de Promoción Científica y Tecnológica ; Argentina ; NIAID

Availability: Free, Available for download, Freely Available

Resource Name: NetMHCpan Server

Resource ID: SCR_018182

Alternate IDs: biotools:netmhcpn

Alternate URLs: <https://bio.tools/netmhcpn>,
<https://services.healthtech.dtu.dk/services/NetMHCpan-4.1/>

Record Creation Time: 20220129T080339+0000

Record Last Update: 20260821T194125+0000

Ratings and Alerts

No rating or validation information has been found for NetMHCpan Server.

No alerts have been found for NetMHCpan Server.
