Umap

RRID:SCR_018217

Type: Tool

Proper Citation

Umap (RRID:SCR_018217)

Resource Information

URL: <https://github.com/lmcinnes/umap>

Proper Citation: Umap (RRID:SCR_018217)

Description: Software package as dimension reduction technique that can be used for visualization similar to t-SNE, but also for general non-linear dimension reduction. Used for dimensionality reduction for visualizing single-cell data.

Abbreviations: UMAP

Synonyms: Uniform Manifold Approximation and Projection

Resource Type: software toolkit, software resource, data visualization software, data processing software, software application

Keywords: Dimension reduction technique, data visualization, singel cell data

Availability: Free, Available for download, Freely available

Resource Name: Umap

Resource ID: SCR_018217

Alternate URLs: <https://github.com/lmcinnes/umap>, <https://sources.debian.org/src/umap-learn/>

License: BSD 3-Clause New or Revised License

Record Creation Time: 20220129T080339+0000

Record Last Update: 20260803T040754+0000

Ratings and Alerts

No rating or validation information has been found for Umap.

No alerts have been found for Umap.

Data and Source Information
