Pittsburgh University HSCRF Genomics Research Core Facility

RRID:SCR_018301

Type: Tool

Proper Citation

Pittsburgh University HSCRF Genomics Research Core Facility (RRID:SCR_018301)

Resource Information

URL: <http://www.genetics.pitt.edu>

Proper Citation: Pittsburgh University HSCRF Genomics Research Core Facility (RRID:SCR_018301)

Description: Offers high throughput genomics services, technical expertise and support with experimental design and protocol development. Includes Nucleic Acid Services, genetic and genomic DNA analysis with sequencing available in standard, high-throughput and next-generation formats, Genome-wide MicroArray or RNA-seq and targeted RNA analysis, Next Generation Sequencing, Drop Seq.

Synonyms: University of Pittsburgh Genomics Research Core, University of Pittsburgh HSCRF Genomics Research Core

Resource Type: core facility, service resource, access service resource

Keywords: Genomic service, technical expertise, experimental design, protocol development, DNA, RNA, analysis, sequencing, microarray, ABRF

Availability: Open

Resource Name: Pittsburgh University HSCRF Genomics Research Core Facility

Resource ID: SCR_018301

Alternate IDs: ABRF_80

Alternate URLs: <https://coremarketplace.org/?FacilityID=80>

Record Creation Time: 20220129T080339+0000

Record Last Update: 20260801T191242+0000

Ratings and Alerts

No rating or validation information has been found for Pittsburgh University HSCRF Genomics Research Core Facility.

No alerts have been found for Pittsburgh University HSCRF Genomics Research Core Facility.

Data and Source Information
