QGIS

RRID:SCR_018507

Type: Tool

Proper Citation

QGIS (RRID:SCR_018507)

Resource Information

URL: <https://qgis.org/en/site/>

Proper Citation: QGIS (RRID:SCR_018507)

Description: Open source cross platform desktop geographic information system application that supports viewing, editing, and analysis of geospatial data. Functions as geographic information system software, allowing users to analyze and edit spatial information, in addition to composing and exporting graphical maps.

Resource Type: software application, software resource

Keywords: Geographic information system, viewing, editing, analysis, geospatial data, spatial information analysis, graphical map, bio.tools

Availability: Free, Available for download, Freely available

Resource Name: QGIS

Resource ID: SCR_018507

Alternate IDs: biotools:QGIS

Alternate URLs: <https://bio.tools/QGIS>

License: GNU GPLv2

Record Creation Time: 20220129T080340+0000

Record Last Update: 20260821T043032+0000

Ratings and Alerts

No rating or validation information has been found for QGIS.

No alerts have been found for QGIS.
