Proper Citation: PAST (RRID:SCR_019129)

Description: Software package for education and data analysis. Used for scientific data analysis, with functions for data manipulation, plotting, univariate and multivariate statistics, ecological analysis, time series and spatial analysis, morphometrics and stratigraphy.

Synonyms: PAST 4.03, PAleontological STatistics

Resource Type: data processing software, data analysis software, software application, software resource

Keywords: Paleontological statistics, data analysis, data manipulation function, data plotting, multivariate statistics, ecological analysis, spatial analysis, morphometrics, stratigraphy

Availability: Free, Available for download, Freely available

Resource Name: PAST

Resource ID: SCR_019129

Record Creation Time: 20220129T080343+0000

Record Last Update: 20260801T190628+0000
