

Resource Summary Report

Generated by ASWG on Aug 4, 2026

University of Michigan Medical School Bioinformatics Core

RRID:SCR_019168

Type: Tool

Proper Citation

University of Michigan Medical School Bioinformatics Core (RRID:SCR_019168)

Resource Information

URL: <https://brcf.medicine.umich.edu/cores/bioinformatics-core/>

Proper Citation: University of Michigan Medical School Bioinformatics Core (RRID:SCR_019168)

Description: Core helps researchers identify and interpret patterns in RNA and DNA by placing sequencing data into biologically meaningful context. Services include experimental design, developing reproducible workflows, analyzing next-generation sequencing data, and supporting manuscript development/publication.

Synonyms: Bioinformatics Core, UMMS Bioinformatics Core

Resource Type: service resource, access service resource, core facility

Keywords: USEDit, identify and interpret patterns, RNA, DNA, sequencing data, analyzing NGS data, ABRF

Funding: NIH

Resource Name: University of Michigan Medical School Bioinformatics Core

Resource ID: SCR_019168

Alternate IDs: ABRF_522

Alternate URLs: <https://coremarketplace.org/?FacilityID=522>

Record Creation Time: 20220129T080343+0000

Record Last Update: 20260804T043711+0000

Ratings and Alerts

No rating or validation information has been found for University of Michigan Medical School Bioinformatics Core.

No alerts have been found for University of Michigan Medical School Bioinformatics Core.

Data and Source Information
