

Resource Summary Report

Generated by ASWG on Aug 4, 2026

University of North Carolina at Chapel Hill Flow Cytometry Core Facility

RRID:SCR_019170

Type: Tool

Proper Citation

University of North Carolina at Chapel Hill Flow Cytometry Core Facility
(RRID:SCR_019170)

Resource Information

URL: <https://www.med.unc.edu/flowcytometry/>

Proper Citation: University of North Carolina at Chapel Hill Flow Cytometry Core Facility
(RRID:SCR_019170)

Description: Core provides flow cytometry services to UNCCH research community as well as to others in Research Triangle Park area. Provides help with experimental design, sample acquisition, data analysis, and sorting, training to run analyzers independently at reduced cost, guidance about rigor and reproducibility in all aspects of experimental design, data acquisition, analysis and reporting.

Abbreviations: FlowCore

Synonyms: , UNC School of Medicine Flow Cytometry Core Facility, UNC Flow Cytometry Core Facility

Resource Type: service resource, access service resource, core facility

Keywords: flow cytometry service, data acquisition, data analysis, cell sorting, ABRF

Resource Name: University of North Carolina at Chapel Hill Flow Cytometry Core Facility

Resource ID: SCR_019170

Alternate IDs: ABRF_606, SciEx_9348, SCR_010999

Alternate URLs: <https://coremarketplace.org/?FacilityID=606>

Record Creation Time: 20220129T080343+0000

Record Last Update: 20260804T043710+0000

Ratings and Alerts

No rating or validation information has been found for University of North Carolina at Chapel Hill Flow Cytometry Core Facility.

No alerts have been found for University of North Carolina at Chapel Hill Flow Cytometry Core Facility.
