Program MARK

RRID:SCR_019281

Type: Tool

Proper Citation

Program MARK (RRID:SCR_019281)

Resource Information

URL: <http://www.phidot.org/software/mark/background/>

Proper Citation: Program MARK (RRID:SCR_019281)

Description: Software tool to provide parameter estimates from marked animals when they are re-encountered at later time, to create population size estimates. Used for analysis of data from marked individuals.

Resource Type: software resource, data processing software, software application, data analysis software

Keywords: Parameter estimates, marked animal, marked animal data, re-encountered animals, population size estimates

Availability: Free, Available for download, Freely available

Resource Name: Program MARK

Resource ID: SCR_019281

Record Creation Time: 20220129T080344+0000

Record Last Update: 20260804T043712+0000

Ratings and Alerts

No rating or validation information has been found for Program MARK.

No alerts have been found for Program MARK.
