Proper Citation: SIMR (RRID:SCR_019287)

Description: Software R package for power analysis of generalized linear mixed models by simulation. Used to calculate power for generalised linear mixed models.

Synonyms: simr, simR

Resource Type: software toolkit, software resource, data processing software, software application, data analysis software

Defining Citation: [DOI:10.1111/2041-210X.12504](https://doi.org/10.1111/2041-210X.12504)

Keywords: Power analysis, generalized linear mixed models, calculate power, simulation

Funding: New Zealand Ministry of Business ;
Innovation and Employment

Availability: Free, Available for download, Freely available

Resource Name: SIMR

Resource ID: SCR_019287
