Azimuth

RRID:SCR_021084

Type: Tool

Proper Citation

Azimuth (RRID:SCR_021084)

Resource Information

URL: <https://azimuth.hubmapconsortium.org/>

Proper Citation: Azimuth (RRID:SCR_021084)

Description: Web application that uses annotated reference dataset to automate processing, analysis, and interpretation of new single cell RNA-seq experiment. Azimuth leverages reference based mapping, pipeline that inputs counts matrix of gene expression in single cells, and performs normalization, visualization, cell annotation, and differential expression. All results can be explored within the app, and easily downloaded for additional downstream analysis.

Resource Type: web application, software resource

Defining Citation: [DOI:10.1101/2020.10.12.335331](https://doi.org/10.1101/2020.10.12.335331)

Keywords: HubMap, BICCN, biomarker discovery, molecular reference maps, annotated reference dataset, automate processing, automate analysis, new single cell RNA-seq experiment interpretation

Availability: Free, Freely available

Resource Name: Azimuth

Resource ID: SCR_021084

Record Creation Time: 20220129T080353+0000

Record Last Update: 20260803T040804+0000

Ratings and Alerts

No rating or validation information has been found for Azimuth.

No alerts have been found for Azimuth.
