Proper Citation: Cornell University Weill Medical College Human Immune Monitoring Core Facility (RRID:SCR_021669)

Description: Core provides technology platforms and services for single cell, in situ, and multiomic analysis for cutting edge immunology research and clinical studies to help make impactful discoveries and develop improved treatments for human diseases. Services include Spectral flow cytometry (Cytek Aurora), Imaging mass cytometry (Fluidigm Hyperion), CyTOF mass cytometry (Fluidigm Helios).

Abbreviations: HIMC

Synonyms: WCM Human Immune Monitoring Core (HIMC) at Weill Cornell Medicine

Resource Type: service resource, core facility, access service resource

Keywords: USEDit, ABRF, immunology, Spectral flow cytometry, Cytek Aurora, Imaging mass cytometry, Fluidigm Hyperion, CyTOF mass cytometry, Fluidigm Helios

Funding:

Resource Name: Cornell University Weill Medical College Human Immune Monitoring Core Facility

Resource ID: SCR_021669

Alternate IDs: ABRF_1203

Alternate URLs: <https://coremarketplace.org/?FacilityID=1203>

Record Creation Time: 20220129T080356+0000

Record Last Update: 20250501T081552+0000

Ratings and Alerts

No rating or validation information has been found for Cornell University Weill Medical College Human Immune Monitoring Core Facility.

No alerts have been found for Cornell University Weill Medical College Human Immune Monitoring Core Facility.
