University of Colorado Anschutz Medical Campus Cancer Center Mass Spectrometry Shared Resource Core Facility

RRID:SCR_021988

Type: Tool

Proper Citation

University of Colorado Anschutz Medical Campus Cancer Center Mass Spectrometry
Shared Resource Core Facility (RRID:SCR_021988)

Resource Information

URL: <https://medschool.cuanschutz.edu/corefacilities/ms-metabolomics>

Proper Citation: University of Colorado Anschutz Medical Campus Cancer Center Mass Spectrometry Shared Resource Core Facility (RRID:SCR_021988)

Description: Provides investigators with capabilities to identify, characterize, and quantify biomolecules present in tissues, cells, and biological fluids. Facility houses both Proteomics and Metabolomics Cores, and aims to assist members with solving difficult or previously intractable problems in biomedical research. Methods for biomolecule isolation, separation, quantification, identification and bioinformatics analysis, together with expert guidance in study design, are integrated into expertise offered by the Facility.

Abbreviations: MSSR

Synonyms: Mass Spectrometry Shared Resource

Resource Type: core facility, service resource, access service resource

Keywords: ABRF, USEDit

Resource Name: University of Colorado Anschutz Medical Campus Cancer Center Mass Spectrometry Shared Resource Core Facility

Resource ID: SCR_021988

Alternate IDs: ABRF_1312

Alternate URLs: <https://medschool.cuanschutz.edu/corefacilities/ms-proteomics>,
<https://coremarketplace.org/?FacilityID=1312>

Record Creation Time: 20220421T050138+0000

Record Last Update: 20260801T191233+0000

Ratings and Alerts

No rating or validation information has been found for University of Colorado Anschutz Medical Campus Cancer Center Mass Spectrometry Shared Resource Core Facility.

No alerts have been found for University of Colorado Anschutz Medical Campus Cancer Center Mass Spectrometry Shared Resource Core Facility.
