CellExplorer

RRID:SCR_022358

Type: Tool

Proper Citation

CellExplorer (RRID:SCR_022358)

Resource Information

URL: <https://cellexplorer.org/>

Proper Citation: CellExplorer (RRID:SCR_022358)

Description: Open source framework for single cell characterization and visualization. Graphical user interface, standardized processing module and data structure for exploring and classifying single cells acquired using extracellular electrodes.

Resource Type: time-series analysis software, data analysis software, 1d time-series analysis software, software application, software resource, data processing software

Defining Citation: [DOI:10.1016/j.neuron.2021.09.002](https://doi.org/10.1016/j.neuron.2021.09.002)

Keywords: OpenBehavior, single cell characterization and visualization, classifying single cells, extracellular electrodes

Availability: Free, Available for download, Freely available

Resource Name: CellExplorer

Resource ID: SCR_022358

Alternate URLs: <https://edspace.american.edu/openbehavior/project/cellexplorer/>, <https://github.com/petersenpeter/CellExplorer>

License: BSD 3-Clause "New" or "Revised" License

Record Creation Time: 20220602T050140+0000

Record Last Update: 20260801T190756+0000

Ratings and Alerts

No rating or validation information has been found for CellExplorer.

No alerts have been found for CellExplorer.
