University of Pennsylvania Perelman School of Medicine Human Immunology Core Facility

RRID:SCR_022380

Type: Tool

Proper Citation

University of Pennsylvania Perelman School of Medicine Human Immunology Core Facility (RRID:SCR_022380)

Resource Information

URL: <https://pathbio.med.upenn.edu/hic/site/>

Proper Citation: University of Pennsylvania Perelman School of Medicine Human Immunology Core Facility (RRID:SCR_022380)

Description: Core provides wet bench expertise and infrastructure support for early phase?clinical trials and other investigations. Offers purified cell subsets from healthy human apheresis donors. ?HIC staff are qualified to?perform blood (PBMC)?and tissue processing for viable cryopreservation following validated?standard operating procedures. Offers?range of immunological assays including digital ELISA, ELISA, ELISPOT, Luminex, flow cytometry and immune repertoire profiling (NGS of BCR and TCR rearrangements in bulk and single cell formats).Offers investigators expertise and guidance in clinical trial sample processing, regulatory compliance, immunology assay design and validation, data analysis and grant writing support.

Abbreviations: HIC

Synonyms: University of Pennsylvania Perelman School of Medicine Human Immunology Core (HIC), Human Immunology Core (HIC)

Resource Type: core facility, service resource, access service resource

Keywords: USEDit, ABRF

Resource Name: University of Pennsylvania Perelman School of Medicine Human Immunology Core Facility

Resource ID: SCR_022380

Alternate IDs: ARBF_1383

Alternate URLs: <https://coremarketplace.org?citation=1&FacilityID=1383>

Record Creation Time: 20220602T050140+0000

Record Last Update: 20260801T191235+0000

Ratings and Alerts

No rating or validation information has been found for University of Pennsylvania Perelman School of Medicine Human Immunology Core Facility.

No alerts have been found for University of Pennsylvania Perelman School of Medicine Human Immunology Core Facility.
