Proper Citation: University of Pennsylvania Perelman School of Medicine Cooperative Human Tissue Network Core Facility (RRID:SCR_022407)

Description: Human tissue procurement service within Department of Pathology at HUP, that assists investigators with collection, processing and preservation of research samples. Our staff will personalize sample acquisition and processing to meet project requirements. Samples (malignant, normal, diseased, etc.) and biofluids can be preserved in a range of methods (fresh, frozen, fixed, etc.).
