# Cincinnati Children's Hospital Pathology Research Core Facility

RRID:SCR 022637

Type: Tool

## **Proper Citation**

Cincinnati Children's Hospital Pathology Research Core Facility (RRID:SCR\_022637)

#### Resource Information

URL: https://www.cincinnatichildrens.org/research/cores/pathology-core

**Proper Citation:** Cincinnati Children's Hospital Pathology Research Core Facility (RRID:SCR\_022637)

**Description:** Provides technical support for routine morphology based techniques. Pathologists are on hand to help guide projects, interpret results and collaborate on publications. Core personnel provide technical support for routine morphology based techniques including tissue processing and embedding, routine and special histochemical staining, immunohistochemistry, in situ hybridization, and electron microscopy.

**Abbreviations: PATH** 

Synonyms: Pathology Research Core, Cincinnati Children's Hospital Pathology Research

Core

Resource Type: service resource, core facility, access service resource

**Keywords:** USEDit, ABRF, morphology based techniques services, tissue processing and embedding, histochemical staining, immunohistochemistry, in situ hybridization, electron microscopy.

**Funding:** 

Resource Name: Cincinnati Children's Hospital Pathology Research Core Facility

Resource ID: SCR\_022637

Alternate IDs: ABRF\_1488

Alternate URLs: https://coremarketplace.org/?FacilityID=1488&citation=1

**Record Creation Time:** 20220803T050137+0000

**Record Last Update:** 20250503T061011+0000

## Ratings and Alerts

No rating or validation information has been found for Cincinnati Children's Hospital Pathology Research Core Facility.

No alerts have been found for Cincinnati Children's Hospital Pathology Research Core Facility.

#### Data and Source Information
