Proper Citation: Collaborating for the Advancement of Interdisciplinary Research in Benign Urology (RRID:SCR_022876)

Description: Community of researchers studying benign urology diseases at U54 O'Brien Cooperative Research Centers, P20 Exploratory Centers, and K12 Career Development Programs funded by the National Institute of Diabetes and Digestive and Kidney Diseases (NIDDK), one of the institutes within the National Institutes of Health (NIH). CAIRIBU Centers and Programs are united around the overall objectives of improving our understanding of the mechanisms of urogenital diseases and developing clinical therapies for treating them by building collaborative and interactive research platforms that span the gamut from basic to translational to population research.

Abbreviations: CAIRIBU

Resource Type: disease-related portal, data or information resource, topical portal, portal

Keywords: urogenital diseases, clinical therapies development

Availability: Free, Freely available

Resource Name: Collaborating for the Advancement of Interdisciplinary Research in Benign Urology

Resource ID: SCR_022876

Record Creation Time: 20221013T050144+0000

Record Last Update: 20260803T040833+0000

Ratings and Alerts

No rating or validation information has been found for Collaborating for the Advancement of Interdisciplinary Research in Benign Urology.

No alerts have been found for Collaborating for the Advancement of Interdisciplinary Research in Benign Urology.
