Proper Citation: Augur (RRID:SCR_023964)

Description: Software package to track evolution from sequence and serological data. Provides collection of commands which are designed to be composable into larger processing pipelines.

Synonyms: augur

Resource Type: software toolkit, software resource

Keywords: track evolution, sequence, serological data.

Availability: Free, Available for download, Freely available

Resource Name: Augur

Resource ID: SCR_023964
