PartitionFinder

RRID:SCR_024157

Type: Tool

Proper Citation

PartitionFinder (RRID:SCR_024157)

Resource Information

URL: <https://github.com/brettc/partitionfinder>

Proper Citation: PartitionFinder (RRID:SCR_024157)

Description: Software Python program to discover optimal partitioning schemes for DNA sequences.Used for simultaneously choosing partitioning schemes and models of molecular evolution for phylogenetic analyses of DNA, protein, and morphological data.

Synonyms: partitionfinder, PartitionFinder 2

Resource Type: software resource, data processing software, software application, data analysis software

Keywords: discover optimal partitioning schemes, DNA sequences, simultaneously choosing partitioning schemes and models, phylogenetic analyses of DNA, phylogenetic analyses of protein, phylogenetic analyses of morphological data,

Availability: Free, Available for download, Freely available,

Resource Name: PartitionFinder

Resource ID: SCR_024157

Old URLs: <https://sources.debian.org/src/partitionfinder/>

License: GNU General Public License

Record Creation Time: 20230824T050212+0000

Record Last Update: 20260804T043814+0000

Ratings and Alerts

No rating or validation information has been found for PartitionFinder.

No alerts have been found for PartitionFinder.
