Louisiana State University in Shreveport CAIPP Immunophenotyping Core Facility

RRID:SCR_024781

Type: Tool

Proper Citation

Louisiana State University in Shreveport CAIPP Immunophenotyping Core Facility
(RRID:SCR_024781)

Resource Information

URL: <https://www.lsuhs.edu/centers/center-for-applied-immunology-and-pathological-processes/immunophenotyping-core>

Proper Citation: Louisiana State University in Shreveport CAIPP Immunophenotyping Core Facility (RRID:SCR_024781)

Description: Immunophenotyping core provides services for isolation of cellular populations from tissues, automated quantification of cell numbers, quantification of GFP, DAPI, RFP, Cy5 or Cy7 positive populations, automated quantification of cytokine concentration in supernatants and biological samples, and flow cytometric and microscopic assay development and execution. Provides training and education opportunities.

Synonyms: CAIPP Immunophenotyping Core

Resource Type: service resource, access service resource, core facility

Keywords: ABRF, Immunophenotyping, isolation of cellular populations from tissues, automated quantification of cell numbers, quantification of GFP, DAPI, RFP, Cy5 or Cy7 positive populations, automated quantification of cytokine concentration, flow cytometric and microscopic assay development and execution,

Funding: COBRE Grant Award NIH/NIGMS CoBRE award P20 GM134974.

Availability: Open

Resource Name: Louisiana State University in Shreveport CAIPP Immunophenotyping Core Facility

Resource ID: SCR_024781

Alternate IDs: ABRF_2570

Alternate URLs: <https://coremarketplace.org/?FacilityID=2570&citation=1>

Record Creation Time: 20231212T050231+0000

Record Last Update: 20260804T043850+0000

Ratings and Alerts

No rating or validation information has been found for Louisiana State University in Shreveport CAIPP Immunophenotyping Core Facility.

No alerts have been found for Louisiana State University in Shreveport CAIPP Immunophenotyping Core Facility.
