Proper Citation: fsl_anat (RRID:SCR_024930)

Description: Software tool provides general pipeline for processing anatomical images.

Synonyms: Anatomical Processing Script: fsl_anat

Resource Type: software application, software resource, data processing software, image processing software

Keywords: processing anatomical images,

Availability: Free, Freely available

Resource Name: fsl_anat

Resource ID: SCR_024930

Record Creation Time: 20240129T210604+0000

Record Last Update: 20260803T040853+0000
