University of Virginia School of Medicine Research Histology Core Facility

RRID:SCR_025470

Type: Tool

Proper Citation

University of Virginia School of Medicine Research Histology Core Facility
(RRID:SCR_025470)

Resource Information

URL: <https://med.virginia.edu/research-histology-core/>

Proper Citation: University of Virginia School of Medicine Research Histology Core Facility (RRID:SCR_025470)

Description: Core provides standard and customized research specific histology services including routine formalin fixation and paraffin embedding, and sectioning, automated Hematoxylin and Eosin staining as well as selection of manually prepared special stains and preparation of frozen section.

Synonyms: , Research Histology Core, UVA School of Medicine Research Histology Core

Resource Type: access service resource, core facility, service resource

Keywords: frozen section preparation, histology services, formalin fixation, paraffin embedding, sectioning, Hematoxylin and Eosin staining,

Resource Name: University of Virginia School of Medicine Research Histology Core Facility

Resource ID: SCR_025470

Alternate IDs: ABRF_2823

Alternate URLs: <https://coremarketplace.org/?FacilityID=2823&citation=1>

Record Creation Time: 20240712T053246+0000

Record Last Update: 20260912T200445+0000

Ratings and Alerts

No rating or validation information has been found for University of Virginia School of Medicine Research Histology Core Facility.

No alerts have been found for University of Virginia School of Medicine Research Histology Core Facility.
