University of Virginia School of Medicine Molecular Imaging Core Facility

RRID:SCR_025472

Type: Tool

Proper Citation

University of Virginia School of Medicine Molecular Imaging Core Facility
(RRID:SCR_025472)

Resource Information

URL: <https://med.virginia.edu/molecular-imaging-core/>

Proper Citation: University of Virginia School of Medicine Molecular Imaging Core Facility
(RRID:SCR_025472)

Description: Core specializes in imaging small animals and samples with variety of modalities depending on the investigator's needs. These modalities include MRI, X-Ray CT, PET, SPECT, luminescence, and fluorescence. We work closely with the Radiochemistry Core Lab which can synthesize custom, targeted PET and SPECT imaging agents.

Synonyms: , Molecular Imaging Core, UVA School of Medicine Molecular Imaging Core

Resource Type: access service resource, core facility, service resource

Keywords: imaging small animals, MRI, X-Ray CT, PET, SPECT, luminescence, fluorescence,

Resource Name: University of Virginia School of Medicine Molecular Imaging Core Facility

Resource ID: SCR_025472

Alternate IDs: ABRF_2825

Alternate URLs: <https://coremarketplace.org/?FacilityID=2825&citation=1>

Record Creation Time: 20240712T053246+0000

Record Last Update: 20260912T200445+0000

Ratings and Alerts

No rating or validation information has been found for University of Virginia School of Medicine Molecular Imaging Core Facility.

No alerts have been found for University of Virginia School of Medicine Molecular Imaging Core Facility.
