University of Washington Translational BioImaging Core Facility

RRID:SCR_027591

Type: Tool

Proper Citation

University of Washington Translational BioImaging Core Facility (RRID:SCR_027591)

Resource Information

URL: <https://rad.uw.edu/research/tbic>

Proper Citation: University of Washington Translational BioImaging Core Facility (RRID:SCR_027591)

Description: Core has resources available at Fred Hutch and UW in collaboration with multi-disciplinary imaging research groups specializing in respective imaging technologies. Provides services including: support for animal imaging; consultation for appropriate use of imaging; training and education; help with protocol development; infrastructural support; and strategic acquisition of new imaging equipment. Provides animal imaging equipment, including MRI, PET, US and optical to support scientific projects within the UW-FH Cancer Consortium.

Synonyms: The Translational BioImaging Core (TBIC), , TBIC Translational BioImaging Core

Resource Type: core facility, service resource, access service resource

Keywords: ABRF, NACCSR, support for animal imaging; consultation for appropriate use of imaging; training and education; help with protocol development; infrastructural support; and strategic acquisition of new imaging equipment,

Availability: Restricted

Resource Name: University of Washington Translational BioImaging Core Facility

Resource ID: SCR_027591

Alternate IDs: ABRF_5625

Alternate URLs: https://coremarketplace.org/RRID:SCR_027591/?citation=1

Record Creation Time: 20251025T055631+0000

Record Last Update: 20260801T191424+0000

Ratings and Alerts

No rating or validation information has been found for University of Washington Translational BioImaging Core Facility.
