University of Montreal Institute for Research in Immunology and Cancer Genomics Platform Core Facility

RRID:SCR_027674

Type: Tool

Proper Citation

University of Montreal Institute for Research in Immunology and Cancer Genomics Platform Core Facility (RRID:SCR_027674)

Resource Information

URL: <https://genomique.irc.ca/>

Proper Citation: University of Montreal Institute for Research in Immunology and Cancer Genomics Platform Core Facility (RRID:SCR_027674)

Description: Facility offers services, combining expert guidance and technologies including Sanger Sequencing, Next-Generation Sequencing, Single-Cell Sequencing, qPCR, Quantity and Quality of DNA and RNA measurement.

Synonyms: Institute for Research in Immunology and Cancer of the Université de Montréal - Genomics Platform, IRIC's Genomics Core Facility

Resource Type: access service resource, core facility, service resource

Keywords: ABRF, Sanger Sequencing, Next-Generation Sequencing, Single-Cell Sequencing, qPCR, DNA, RNA

Availability: Open

Resource Name: University of Montreal Institute for Research in Immunology and Cancer Genomics Platform Core Facility

Resource ID: SCR_027674

Alternate IDs: ABRF_5655

Alternate URLs: https://coremarketplace.org/RRID:SCR_027674/?citation=1

Record Creation Time: 20251118T060127+0000

Ratings and Alerts

No rating or validation information has been found for University of Montreal Institute for Research in Immunology and Cancer Genomics Platform Core Facility.

No alerts have been found for University of Montreal Institute for Research in Immunology and Cancer Genomics Platform Core Facility.
