Proper Citation: Memorial Sloan Kettering Cancer Center Biostatistics Core Facility (RRID:SCR_027821)

Description: Core provides expertise on study design and statistical analysis. Devoted to developing and understanding ways to derive scientific inferences from quantitative data and to developing methods for achieving this aim. The staff are highly trained in this field and experienced in all of the specialized areas of statistical techniques including clinical trials methodology, survival analysis, epidemiologic methods, analysis of genomics data, statistical genetics, methods for diagnostic medicine, health services research, survivorship, evidence-based medicine and psychometric methods.

Resource Type: access service resource, core facility, service resource

Keywords: ABRF, study design, statistical analysis, clinical trials methodology, survival analysis, epidemiologic methods, analysis of genomics data, statistical genetics, methods for diagnostic medicine, health services research, survivorship, evidence-based medicine, psychometric methods,

Resource Name: Memorial Sloan Kettering Cancer Center Biostatistics Core Facility

Resource ID: SCR_027821

Alternate IDs: ABRF_5713
