Proper Citation: Penn State College of Medicine GPCR Assay Service Center Core Facility (RRID:SCR_027954)

Description: Core to accelerate scientific discovery in G protein-coupled receptors (GPCRs) physiology and pharmacology. Provides services to identify signal transduction processes that are specific to their GPCR of interest (such as opioid, cannabinoid and muscarinic) that is either natively present or expressed heterologously in cell systems. Assists investigators with drug development studies. Support researchers with assay development and optimization, pilot data, and grant assistance. Houses instrumentation used.

Synonyms: , GPCR Assay Service Center, Penn State College of Medicine GPCR Assay Service Center

Resource Type: service resource, access service resource, core facility

Keywords: G protein-coupled receptors, identify signal transduction processes, drug development studies,

Resource Name: Penn State College of Medicine GPCR Assay Service Center Core Facility

Resource ID: SCR_027954

Alternate IDs: ABRF_5769

Alternate URLs: https://coremarketplace.org/RRID:SCR_027954/?citation=1
