Proper Citation: Mayo Clinic Biomedical Imaging Resource Core Facility (RRID:SCR_027968)

Description: Mayo Clinic's Biomedical Imaging Resource Core in Rochester, Minnesota, focuses on supporting and advancing research in biomedical imaging and visualization sciences. Provides guidance on protocol design, routine image analysis, and custom software and hardware solutions. Also, media and model production resources are available to investigators for the creation of high-quality visualizations and physical models of research data. Core provides services to all Mayo Clinic faculty and staff engaged in research. Also, services may be available on a limited basis to investigators and research collaborators outside Mayo Clinic. Before scheduling, contact the core to design optimal settings for the specified imaging task.

Synonyms: Biomedical Imaging Resource - Mayo Clinic

Resource Type: core facility, service resource, access service resource

Keywords: ABRF, imaging, biomedical imaging, imaging and visualization, image analysis,
