Proper Citation: University of Massachusetts Amherst Device Fabrication Cleanroom Core Facility (RRID:SCR_028976)

Description: Facility is aimed towards developing new research tools for life sciences. In the facility, CMOS processing technologies are utilized to enable personalized healthcare and preemptive medicine via smart and miniature devices, circuits, and systems with biomedical applications. Biosensing, DNA sequencing, and smart implanting are key components of the COREs tasks. Discovery-based research and translational research is supported in this lab as the Device Fabrication facility wishes to promote the development of new research tools for life science applications.

Synonyms: Device fabrication

Resource Type: access service resource, core facility, service resource

Keywords: ABRF, biosensing, DNA sequencing, smart implanting, device fabrication,

Resource Name: University of Massachusetts Amherst Device Fabrication Cleanroom Core Facility

Resource ID: SCR_028976

Alternate IDs: ABRF_6160

Alternate URLs: <https://coremarketplace.org/?FacilityID=6160&citation=1>

Record Creation Time: 20260911T042619+0000

Record Last Update: 20260912T200604+0000

Ratings and Alerts

No rating or validation information has been found for University of Massachusetts Amherst Device Fabrication Cleanroom Core Facility.

No alerts have been found for University of Massachusetts Amherst Device Fabrication Cleanroom Core Facility.
