QualiMap

RRID:SCR_001209

Type: Tool

Proper Citation

QualiMap (RRID:SCR_001209)

Resource Information

URL: <http://qualimap.bioinfo.cipf.es/>

Proper Citation: QualiMap (RRID:SCR_001209)

Description: Software application written in Java and R that provides both a Graphical User Interface (GUI) and a command-line interface to facilitate the quality control of alignment sequencing data. It examines sequencing alignment data in SAM / BAM files according to the features of the mapped reads and provides an overall view of the data that helps to detect biases in the sequencing and/or mapping of the data and eases decision-making for further analysis.

Abbreviations: QualiMap

Synonyms: QualiMap - Evaluating next generation sequencing alignment data

Resource Type: software resource

Defining Citation: [PMID:22914218](#), [DOI:10.1093/bioinformatics/bts503](#)

Keywords: next-generation sequencing, alignment, linux, macos, windows, quality control, sam, bam, bio.tools

Funding: Spanish Ministry of Economy and Competitiveness BIO2009-10799; EU funded program ERA-NET PathoGenoMics BIO2008-05266-E

Availability: Free, Available for download, Freely available

Resource Name: QualiMap

Resource ID: SCR_001209

Alternate IDs: OMICS_02133, biotools:qualimap

Alternate URLs: <https://bio.tools/qualimap>

Old URLs: <https://sources.debian.org/src/qualimap/>

License: GNU General Public License v2

Record Creation Time: 20220129T080206+0000

Record Last Update: 20260905T132431+0000

Ratings and Alerts

No rating or validation information has been found for QualiMap.

No alerts have been found for QualiMap.
